**\*modway**

**Read through all of the instructions before starting**

**Care instructions are listed in the last step of this manual**

**Approx. 60 minutes assembly time**

**Make sure you have all parts and components before discarding any packing materials**

**2 people recommended for assembly**

**Only use hand tools to assemble this item.** Do not use power tools. Do not tighten bolts or screws completely until all hardware is lined up and inserted into the holes.

Do not over-tighten screws and bolts to avoid stripping the hardware or cracking the item.

Assemble your item on a flat, carpeted area, with plenty of space to work. This will prevent damage and scratches to your floors or the item while you're assembling the product.

Keep all components and packaging out of reach of children or animals to avoid risk of choking or suffocation.

Grids Surface

## Installation Instructions :

1. Attach bracket (N) securely to the back top of the furniture using short screw (N) provided.
2. Please make a hole on the wall for attach the bracket (N) to the back of unit.
3. Attach bracket (N) on the wall using long screw (N) as shown.
   Locate the other bracket (N) on the wall. Place furniture into position so both brackets (N) as shown.
4. Lace the end of the restrains strap through the larger hole in each bracket. Ensure the restrains strap with grids surface facing the inner loops. Bring both ends together and slide the flat end through the locking end and draw it through until all slack is removed.
5. Make sure that the strap is securely laced & locked.
